Letter No. R.&.S.5428-19 dated the 17th September 1919, from the Secretary, Revenue and Statistics Department, India Office, London to the Secretary to the Government of India, Commerce and Industry Department.

With reference to correspondence including the Government of India's telegram of 9th August, No. 6073, I forward, for information, and for such action as the Government of India may think desirable, copy of the papers noted in the margin, on the subject of the Labour Part (Part XIII) of the Peace Treaty.

From Organising Committee of the International Labour Conference, dated 28th August 1919, (with enclosure).

28th August, 1919.

Sir,

I am directed by the Organising Committee of the International Labour Conference to acknowledge the receipt of your letter, dated 22nd August (Ref.R.&.S.5026-19), enclosing a copy of a telegram from the Government of India summarising their Memorandum and Replies to the Questionnaires issued by the Committee. I am also to acknowledge receipt of a copy of the Indian Factories Act XII of 1911, and of the White Phosphorus Matches Prohibition Act V of 1913.

I am further to enclose for your information a copy of a pamphlet which has been issued by the Ministry of Labour, copies of which have been forwarded by the Committee to the Governments of the States named in the Annex to the Covenant of the League of Nations, with the suggestion that as there has been considerable misconception as

regards the terms of the Labour Part of the Peace Treaty steps should be taken in each country to make its actual contents widely known in a somewhat similar form. In particular it was suggested that the Report of the Paris Commission and the text of the Labour Part of the Treaty should be communicated to Labour organisations and Labour Leaders. It was pointed out that the introduction to the enclosed pamphlet by the Right Hon. G.N. Barnes, M.P. was written specially for circulation in the United Kingdom and that it was not suggested by the Committee that it should be incorporated in any publication undertaken by the other Governments.

I am to suggest that the Secretary of State for India might consider whether the pamphlet should be transmitted to the Government of India, together with the suggestion which the Committee has made to the other Governments mentioned in the Annex to the Covenant of the League of Nations.

I am etc,

Sd/- E.A. Phelan.
